

Making Your Own Reusable Printing Surfaces and Stamps Supply List

Wood Burning Tool for Styrofoam stamps

Dremel Tool with assorted attachments for wood cuts

Wooden spoon or two to use as a burnisher.

Brayers soft and hard

Cloth to print on. At least 2 yards. Some students create many surfaces and go through a lot of cloth. Depends on how fast you work.

Paper to print on if you would like.

T-Shirts to print on if you would like.
