WORKSHOP TITLE: STUDIO PRACTICE: Art Quilt Master Class

©Sue Benner 2014

LENGTH: 5-7 days

LEVEL: Advanced. This class is for the artist who has established both her or his artistic direction and working methods.

SEWING MACHINE USED? Yes

DESCRIPTION: Make your art and enjoy the community of other artists. This is an independent study workshop with facilitated discussions and critiques. Participants can opt to start a new direction in their work or bring works in progress.

SUPPLIES PARTICIPANTS SHOULD BRING:

Imagine a mini-version of your studio and art materials. Make a list and pack it up.

Here are some options for planning your work. You could bring—

- Works in progress
- Materials for new works in an ongoing series
- A piece you have been struggling with
- Materials for works in a new or experimental direction

Please bring one book or article about an artist's work that has influenced you.

Sue will choose short readings or activities that will further discussions in class.

Please also be prepared to contribute digital images of **five** of your recent art quilts or other artwork for a 5 minute overview of your work. Sue will ask for these images 1-2 months before class. Other instructions will be provided at this time.
