

Depths of Dyeing Supply List

Fabric: 15 yards. It is VERY important to use one of the three choices of fabric for this workshop. You may choose Hoffman PFD #1377, Testfabrics 400M or Testfabrics 419. We will be pairing up and trading fabrics once dyed, so it is imperative that we all have similar quality fabric to trade. Please use one of the three choices ONLY! Please feel free to email me if you need help in locating these fabrics or have any questions. I can provide Hoffman PFD fabric if needed.

An inexpensive 12 quart dishpan similar to the one in this link:
