

“The Circle Game” (in bead embroidery)

© 2016 by Lisa Binkley • www.lisabinkley.com

Students should bring the following supplies with them:

- A small pair of sharp scissors
- A bead scoop or small spoon
- A bead cloth for holding loose beads
- A portable task lamp (optional)
- Sizes 10 and 12 beading needles
- A pen or pencil for note-taking and possible sketching in the provided paperwork
- Whatever additional beads, buttons, beading threads and embroidery thread you may wish to use in class. I can send images of the base fabric closer to the class dates so that student can coordinate beads, buttons, and threads.
