

**Susan Lenz “HOT”  
QSDS Session 2 (two days) June 2-3, 2018  
Supply List**

**There is a Supply Fee of \$20 for this class**

Susan will supply fabrics, felt, metallic foils, hand sewing needles, beads and thread. She will bring heat tools, two cartridge respirators (for safely avoiding fumes when melting synthetic fabrics) two sewing machines, several pairs of scissors and the heat tools. Mats will be provided to frame your piece.

Note: if you prefer to hand sew, this two-day class CAN be done without using a sewing machine

**Students should bring:**

Sharp scissors

**Optional:**

-If you already have your own respirator that you use when mixing dyes, discharging fabric, etc, you may wish to bring yours to wear when we melt the synthetics.

-If you are bringing a sewing machine for another class and prefer to use it for this class as well, be sure to bring the free motion/darning foot and don't forget your foot pedal! Only straight stitch will be required for this class.
