Sessions 1 & 2 May 27-June 2, 2019

Supply List

Bring whatever you are working on, or wish to be working on.

Bring images of your work that you have done, may be working from, or wish to share. You may choose to bring these as printed images, on your computer / tablet or on a flashdrive.

Our class always starts with an optional general lively discussion of art and quilt-related subjects, so feel free to bring any articles, books or web addresses of subjects that you may wish to discuss with other class participants.
