QSDS Session 2 2-day class

Trio of Cosmic Joy Mojonators

Spend a relaxing weekend creating three different mixed media assemblages from fabrics, fibers, beads and positivity. Becky will send kits brimming with fabulous treasures, waiting for you to personalize. You will learn her tricks for making tassels, stringing beads on memory wire and assembling mixed media components. Mojonators are scientifically shown to keep joy particles resonating in your environment!

There is a kit for this class.

It contains more than enough embellishments and inspiration for three Mojonators.

Kits cost: \$60 includes shipping

Kit contains:

- fabrics for three Mojonators (Lady of Guadalupe (for saints), Sugar Skull (for sinners), Rosette (joy makers)
- Fibers for tassels
- Beads and memory wire for curly dangles
- A fabulous assortment of additional embellishments

Supplies you will need:

Note: You can machine-stitch some components or choose to do it all by hand

- One or two regular sewing needles and a couple of crewel or chenille needles
- Scissors
- Sewing Thread
- Embroidery fibers (floss or pearl cotton)
- A small amount of polyfil stuffing
- Any personal embellishments you want to add
- Beading tools (Borrow from a friend or order a set from Becky for 7.50)
 - Round nose pliers
 - Chain nose pliers
 - Side cutter
- Optional: Hot glue gun (if you prefer to glue on some of the embellishments)
