Notebook/ journal with pens or pencils

Fabrics

Your choice of solid color, hand-dyes or almost-solids (e.g., subtle stripes, geometrics and florals in tone-on-tone colors) and prints in a color palette of your choice.

Include tonal variations; ranging from light to dark, and several should be strong contrasts.

Most of your fabric should be pure cotton, but you may wish to include some specialty fabrics like linen, wool, silk, brocade, sheers etc. It will be fine to bring scraps.

Remember the more choice you give yourself, the more exciting your quilt

PREPARATION:

Look at lines everywhere! Look around your home: food, clothes, jewelry, garden, street. Find pictures or books with linear images that could be used for design. Bring whatever you can to class.
