

# Surface Design Shuffle

## Supply List

Fabrics: Choose any that you love! Consider using fabrics that are highly patterned and colored, specialty fabrics, one-of-a-kind printed fabrics, dyed fabrics, digitally-printed fabrics, etc. Include several options for a good color story. We will discuss your options in class.

Rulers: A ruler that is 6" or 6.5" square is ideal. Any size square from 3.5" up to 12" will work however. You will also need a 6" or 6.5" x 24" for cutting strips.

Rotary cutter and mat.

A piece of flannel or batting to cover your design board and pins for pinning into the design board.

A camera -- this can be on your mobile phone.

Sewing machine and basic sewing supplies (thread, pins, scissors, etc.). Remember to include foot pedal, power cord, extension cord and all accessories you will need for piecing. Bring along the machine manual just in case.
